### **JUDGES PROFILE – MRS. JILL HENDERSON.**

**Having an intense love for all animals, I chose a career path as a Veterinary Nurse, graduating in 1977 and continued in this profession for 26 years.**

**In 1991 I completed a work study program at Seaworld - Queensland, fulfilling a lifetime's desire to study and work with dolphins and whales at close range.**

**My involvement in the Cat Fancy began in 1991. I became licensed to Judge Group 2 exhibits (Sia/Ori/Bal/LHOri/FW/LHFW) in 1999.**

**I am now in my tenth year with Governing Council of the Cat Fancy Victoria, and in 2004 successfully completed my Group 1 (All Longhair) Judges license.**

**With my husband Bob (now a retired television cameraman – after 50 years in the industry) we bred Siamese under the Prefix of 'Jilanbo Siamese'. After several years away from breeding, we plan to start again in the near future.**

**We reside in Pakenham, which is a South Eastern suburb of Melbourne.**

**We have two sons (both television cameramen) three delightful grandchildren, all of whom are a continuing joy to us both.**

**My 26 years of Veterinary Nursing has assisted us with our breeding program, and we have enjoyed many successes on the Show bench with our beautiful Siamese cats and kittens.**

**2001 – GCCFV Group 2 Kitten of the Year  
2002 – GCCFV Group 2 Reserve Adult  
2003 – GCCFV Group 2 Kitten on the Year.**

**From the 'big' cats in their natural African habitat, to our lovely pedigreed and domestic cats, there is nothing that surpasses the joy I experience when observing or Judging a Fabulous Feline!!**
